Who We Are

Effective Presentations is the leader in communication skills training. When you're seeking the very best in public speaking and presentation skills training, and classroom training is simply not an option, we offer remote, small group workshops via our powerful Live Virtual platform. Our passion is communication, and we'll be available when and where you need us, and that's exactly why Effective Presentations IS the right choice!

Live Virtual Training

Our live virtual training platform is cost and time effective. For those who don't have the ability to travel or commit to a classroom, these virtual presentation skills and public speaking trainings are conducted in a small group setting, creating a fun and dynamic learning environment. After assessing existing presentation skills, we turn to fundamental aptitudes critical to effective communication. Concluding with private coaching with your Nationally Certified Trainer, this training will empower you to consistently deliver effective presentations in any venue!

What Other Clients Are Saying

"I gained more valuable information on how to effectively present in 8 hours with Mike than the grand total I had accumulated in my entire life---plus, I got to practice the skills and gain valuable feedback from an expert. I gave a presentation 2 days after the conclusion of the seminar and it was a raging success---the best presentation I've ever given, and it's only going to get better from here!"

Kyle Leavitt, Sales Manager – Infusionsoft

"I highly recommend the Effective Presentation Skills Workshop. Whether you are a seasoned speaker or just aspiring to speak this course is a must! I have been teaching and doing public speaking for many years now, and after taking this seminar my presentation skills have absolutely gone to new level."

Amira Watters, President - The Wild Flower "Nature's Alternative"
